

# 2008 VIRGINIA FALLEN FIREFIGHTER MEMORIAL SERVICE

Richmond International Raceway Complex  
Richmond, Virginia  
7 June 2008  
1200 hours

You are cordially invited to attend the 2008 Virginia Fallen Firefighter Memorial Service on Saturday, June 7th. Each year citizens, emergency response personnel, government officials, and public safety honor guard members gather to celebrate the courage and dedication of Virginia's fire service by honoring those Virginia firefighters who died while serving our citizens.

The service will be held (rain or shine) at the Richmond International Raceway Complex. A catered reception will be provided upon completion of the service free of charge. Parking is also available free of charge.

This is an annual service and historically honors fallen firefighters from the previous year. One of our goals this year is to increase attendance from departments throughout the Commonwealth. Your department's participation, whether by bringing a piece of apparatus, serving as part of the Honor Guard, or simply attending the service, makes a difference. Please mark your calendars and make your plans now to attend.

For directions to Richmond International Raceway or more information, contact the Virginia Department of Fire Programs at 804/ 371-0220 or visit our website at [www.vafire.com](http://www.vafire.com).
