To: VSFA & VAVRS General Membership,

On behalf of the Joint First Responder Virginia (FRV) Conference Committee, we are reaching out to our general membership to provide you with the most up-to-date information about our planned 2020 Virginia Beach experience. First, though, let me start by wishing you well and that you remain healthy through this national emergency.

The Joint FRV Committee has continued to meet over the past month via conference calls to discuss a great deal of research and evaluation that has been completed. We hope this information will help you better understand that we are working hard to evaluate every single option to meet the Convention and Conference requirements of the VSFA & VAVRS

A final decision on the ability to hold the Convention in Virginia Beach the week of September 22-26 will not be made until mid-May, and that will depend upon the social distancing restrictions that will be in place at that time as well as the ongoing conditions surrounding the Coronavirus. I can assure you that we are doing everything possible to look at all options and issues that surround the decision that will be made.

A survey has been prepared regarding the 2020 FRV Conference.

This Survey will end on May 7, 2020

It will also be available on the FRV web site as well as face book and the web sites of VAVRS & VSFA.

Sincerely,
FRV
Convention Committee
