Tournament Purpose

The VSFEMSA has organized this event for the purpose of raising money for two important member benefits.

Proceeds will assist the VSFEMSA in providing college scholarships for those wanting to further their education in fire and EMS related fields. VSFEMSA, as well as the Virginia State Firefighter's Association, have provided scholarships over the years to very deserving students. However, the need is greater than what we can provide. In addition, our Line of Duty Death Benefit provides relief to families of those who have lost their lives in the line of duty while protecting the citizens of the Commonwealth of Virginia.

Contributions to this event are tax deductible. The VSFEMSA is a 501(c)(3) non-profit organization.
