EMS Provider of the Year Award Guidelines

The Awards Committee will be responsible for selecting the top EMS Provider of the Year throughout the entire Commonwealth of Virginia. This is done through nominations from members of individual member departments and/or rescue squads from within the Virginia Firefighter's Association. Each nomination must be submitted on a Fire Department or EMS Agency letterhead along with the VSFA EMS Provider of the Year award application and a Picture of the nominee.

The EMS Provider of the Year award is a very prestigious award. Only one individual is selected each year. The award is presented to the winning individual during the Annual Conference of the Virginia State Firefighter's Association held in August each year.

The EMS Provider of the Year award will be judged on what the nominee has done during the 12-month time period of May 15th thru May 15th preceding the annual conference. Some examples the award will be judged on are outstanding citizenship, i.e.; activities that would better his/her Fire Department and/or EMS agency and the community in which they serve; merits coupled with local activities to promote the EMS agency in the local area; EMS activities over and beyond the normal call of duty; efforts made to sustain the local EMS agency for longevity; teaching basic life saving skills at local schools or civic organizations; outstanding efforts in fund raising; outstanding work in a regional EMS association or council; outstanding work done on behalf of the Virginia State Firefighter's Association to promote EMS activities within the association; etc.

PLEASE NOTE: This award will not be judged on acts of heroism. All heroism nominations are to be directed to the Secretary of the Virginia State Firefighter's Association.
